

# MAKING THE WATERSHED CONNECTION

## An Interactive Conference for New Jersey Educators

**Tuesday, June 28 and Wednesday, June 29, 2005**  
**Rutgers EcoComplex, Bordentown, NJ**

**Full Registration - \$35 per person; One Day Only - \$20 per person**  
**Registration includes curriculums, workshop materials and refreshments**

The Watershed Partnership for New Jersey and the New Jersey Department of Environmental Protection invites you to its second two-day interactive conference for educators. Sessions will explore New Jersey's dynamic watersheds and connect educators with regional resources, curriculum materials and more. Field trips on the second day will allow you to discover the beauty and complexities of your watershed and more ways to teach our future leaders about earth's most precious resource – water.

### June 28, 2005 – WORKSHOPS

Participants can select several of the following, with various tracks of study, including Beyond Science and Teachers In Action. Following lunch,  
**Keynote Speaker Suzanne McCarthy** will be speaking on watershed education.  
A late afternoon tour of the EcoComplex is also being offered.
